

Missionaries of the Month: Steve and Laura Campbell, with their daughters Ruth & Esther: In Montenegro Steve & Laura Campbell provide support and model outreach to the small group of believers. They meet in several small groups for Bible study and discipleship. Laura has organized a Sunday school class for children. Steve plays an important role as a mentor and sounding board for Pastor Vladimir who continues to develop as a leader. Praise God for a sense that the darkness that has enveloped the country spiritually is being pushed back by the light of Christ.

A Look at VMissions: The Ramella family flies to the US from Kosovo on Tuesday. Pray for stamina and strength for them as they share their vision with friends in Arizona, Ohio, and Virginia this summer.

There is no "ideal" host – some are young families, some are middle-aged and some are retired. IVEP is a year-long work and cultural exchange opportunity for young, Christian adults. Every year 60 participants come from more than 25 countries around the world to volunteer in the U.S. or Canada, where they live with a local person or family. EMU IVEPs arrive mid-August and leave for summer placements the first week of May. Contact Gretchen Maust at Gretchen.maust@emu.edu for more information.
