

Missionaries of the Month: Steve and Laura Campbell, with their daughters Ruth & Esther: Praise God that the good news of Christ is being shared in Montenegro! A few months ago a local radio station asked two church members to share their testimony about how Christ set them free from drugs. Now the station is asking for more testimonies to create a series. Pray for Tamara, a young niece of one of those who may give testimony, who has shown interest in the church in spite of some resistant from her parents. Praise God that her obedience to family has softened their hearts and is drawing them to the light as well.

A Look at VMissions: Raleigh and Opel* can feel emotionally drained by always being seen as foreigners. Pray that their differences from their North African neighbors will spark conversations where they can share their beliefs. (*pseudonyms)

Next year EMU will welcome two Spanish Language Assistants through MCC's International Volunteer Exchange Program (IVEP) and is looking for hosts. There is no "ideal" host – some are young families, some are middle-aged and some are retired. Hosts develop their own unique relationships with IVEP participants. This is a wonderful opportunity for families with children who are learning Spanish. IVEP is a year-long work and cultural exchange opportunity for young, Christian adults. EMU IVEPers arrive mid-August and leave for summer placements the first week of May. Contact Gretchen Maust at Gretchen.maust@emu.edu for more information.
