

**Missionaries of the Month - The J.W. family** has had a ministry in Central Asia since 2006. Their focus is making disciples and praying for house churches to develop in unreached neighborhoods. Through a "Business for Transformation" service model they have taught university business courses, started a language school and in recent years began a computer programming business in a village area. This summer eldest son J. and his fiancé M. are serving with VMissions with the computer programming business. Pray that the small number of believers among 6 families in the village, including a young couple soon to be baptized, may be able to meet together for study and mutual support. Ask God to grant boldness to the primary leader and a freedom from fear for his wife.

**A Look at VMissions** As the Mennonite Church of Trinidad and Tobago holds Vacation Bible School in various congregations, pray that the seeds sown in the hearts of children, youth, and adults will bear fruit in its season.

### Taryn Zander's MST and VMissions are hosting a dessert fundraiser

**on the evening of July 26** at Harrisonburg Mennonite. This event is a "donations accepted" event and any money raised will be used to finish out the modest balance needed for Taryn's remaining MST budget and to start a "diversity grant" fund to help persons of color participate in next year's E3 trips. The evening will also be an opportunity for the Jordan teams to share what they've recently experienced and for the Greece team to share what its expectations and prayer requests are. We especially welcome those interested in participating on an E3 team next year! As a courtesy to Taryn's MST, please let Melanie Sherer know if you are planning on coming, at [melanie.sherer@vmmissions.org](mailto:melanie.sherer@vmmissions.org) or (540) 434-9727.
