

This month's focus for prayer: Raleigh and Opal, and their children in North Africa: Last August, we returned to our home here from our summertime in the States. We have experienced some transition and a lot of grace and growth in the year back. We have been blessed by strong, encouraging and growing team relationships. We continue to facilitate the team in our immediate radius of an hour. We are also involved in bringing together a larger group of people working in the whole middle mountain area in our country. These groups continue to be a source of a lot of joy and blessing.
